Van Zandt Properties is growing! We recently moved into our new building at 711 Chestnut St, in Bastrop. It's a historic building directly across the street from Ramos Mexican Restaurant. The City is in the process of giving us a new parking area directly behind our building, so it's a mess now but will be really nice when completed. Presently you can park on Water St in front of the Church or across Chestnut in the parking lot behind Ramos and use the front door. We do have back door access that will be used once the parking lot is complete.

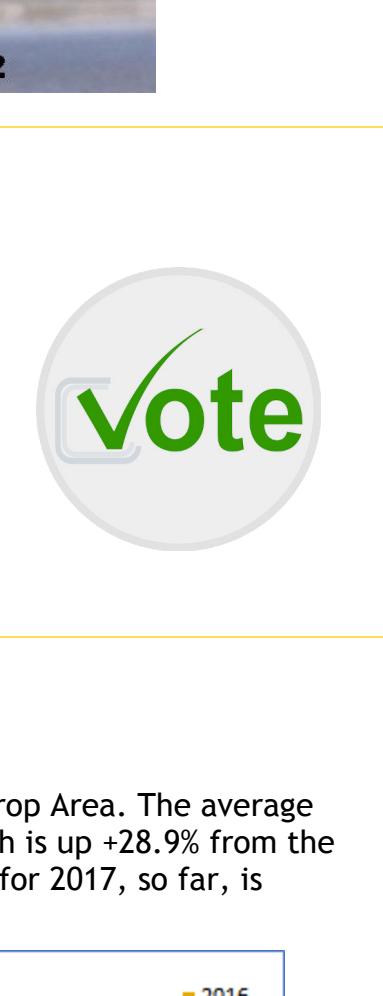

We also welcome a new Agent! Laura Wiggins comes to us from New Braunfels and we welcome her to the team! We have a few openings for experienced agents.

The Bastrop Chamber of Commerce will be doing an official ribbon cutting on September 6th from 3:00 - 5:00 pm. Come see the new offices and mingle with the staff! You are, of course, welcome to drop by anytime!

Lastly, we do have a loft style apartment for rent upstairs. It's a 1 bedroom + office (small room) completely redone in a very modern
